Bottle Capacity: 750 ml

Alcohol Content: 12.5%

Tasting Notes

It is a brilliant wine, lime yellow in color ,and greenish. With fine needle and permanent rosary.

The nose is intense and clean with notes of white flowers, citrus, and golden apple, with a herbal touch.

It is a cheerful and expressive wine on the palate, with a delicate bubble, and a glyceric, and voluminous touch due to contact with the lees, of great permanence and personality.

Pairs with any season, pace, and company.
